Are you seeking the services of a recruitment or temporary agency to assist with your HR staffing needs? Are you spending most of your HR budget on expensive consulting firms to complete a backlog of HR projects? Human Resource Assistance (HRA) specializes in HR projects and professional HR staffing solutions (both temporary and direct placements). Our services are affordable and tailored specifically to meet your HR business needs.

Our clients include companies seeking cutting edge HR solutions for the best possible price. Our staff of experienced HR professionals deliver in-depth knowledge and expertise through a collaborative, customized business approach.

CUSTOMIZED SERVICES

Interim Staffing:

In today's ever-changing economic climate, interim staffing solutions allow you to fill personnel needs without adding to head count. HRA provides experienced candidates to fill: human resources, executive, management, and administrative positions; both short and long term assignment options. Our candidates are thoroughly screened, guaranteed, and available for your immediate consideration.

Direct Placements:

Our team of professional recruiters will provide qualified candidates to immediately fill your open positions. Let us do the work while you remain focused on your business.

FLEXIBLE SOLUTIONS

Countless government regulations make it increasingly difficult to remain in compliance with HR. Rather than waste time worrying, let us complete those HR related projects for you.

- Employee Handbooks
- Job Descriptions
- Compensation Projects
- International Assignment Management
- Human Resource Assessments
- Policy Development & Manuals
- Training
- Labor Relations & Negotiations

AFFORDABLE HR RESULTS

No matter how small or large your company, for-profit or not-for-profit, HRA will customize our services to meet the HR requirements of your business. Most importantly, our knowledgeable staff of HR specialists understand the ever-changing legal requirements of employment law and HR compliance.

Recruitment Solutions:

With Recruitment Process Outsourcing (RPO), HRA acts as your company's internal recruitment team. HRA is available to manage the entire recruiting process or a portion of the screening process for you.

Executive Search:

Using cutting edge technical expertise coupled with more than 25 years of recruitment experience, we will recruit the best leaders for your business.

HR Projects:

HRA specializes in HR projects and consulting services. Whether your company is small with no HR support, or large with specialized needs, our team of experienced consultants provide customized HR project solutions that are right for your business.

- Affirmative Action Plans
